Initial Consultation Report
Tara A. Fantauzzi, Professional Genealogist

The purpose of this report is to summarize the data and goals for your project. Please review the information in this report carefully and report if any additional information is known at project start or if any of the information should be changed or corrected.

Summary of Research Recommendations:

(1) Identity & Direct Ancestors of Raymond William Routt

Client provided access to her Ancestry member account with information on maternal grandfather Raymond William Routt, his parents Edman Routt and Carrie E. Haide and grandparents Joseph and Mary Routt. Genealogist analyzed the evidence linked to our subjects. Linked to the identity of Raymond W. Routt were two Arizona State birth records for his children Barbara Jean Routt from 1929 and Dixid Claire Routt from 1934 and two Phoenix city directories from 1935 and 1957.

Linked to the identities of Edman Routt and Carrie E. Haide were a 1916-1920 California voter registration for resident Edman Routt of Santa Clara, California, a Colorado Spring Gazette article as well as a Colorado County Marriage Record for Edman Routt to Carrie E. Haide. A 1955 Long Beach, California city directory was linked to only the identity of Carrie. The identities of Joseph and Mary Routt had the following information linked: 1840 and 1850 Federal population census records, Ohio County marriage record, an 1897 Chillicothe, Ohio city directory and an 1899 obituary index entry for Joseph Routt.

Genealogist recommends applying up to one hour of research time completing a digital collections survey on the identity of Raymond William Routt and his direct ancestors with goals to further verify and prove what is known at project start and to establish and prove the identities of previously unknown direct ancestors.

> *Digital Collections Survey is a term we use to describe a research survey that exhausts all available collections of documents that are published online including but not limited to Ancestry.com and other premium information service databases. Copies of original documentation may include census, vital, military, probate, land and church records; secondary documentation may include copies of record transcriptions, record index entries and published genealogies.*

(2) Identity & Direct Ancestors of Lucille Hilker

Client provided access to her Ancestry member account with information on maternal grandmother Lucille Hilker, her parents Hugo Hilker and Emma A. Krueger and paternal grandparents August and Louise Hilker. Genealogist analyzed the evidence linked to our subjects on the Ancestry member account. Linked to the identity of Lucille Hilker were two Arizona State birth records for his children Barbara Jean Routt from 1929 and Dixid Claire Routt from 1934 and two Phoenix city directories from 1935 and 1957.

Linked to the identities of Hugo Hilker and Emma A. Krueger were a 1880 Federal population census taken in Maple Creek, Outagamie County, Wisconsin, and a Wisconsin birth index entry for Gordon Harold Raymond Hilker. The 1880 Federal population census taken in Maple Creek, Outagamie County, Wisconsin was also linked to the identities of August and Louisa Hilker, and a1869 ship passenger list was linked to the identity of August Hilker.

Genealogist recommends applying up to one hour of research time completing a digital collections survey on the identity of Lucille Hilker and her direct ancestors with goals to further verify and prove what is known at project start and to establish and prove the identities of previously unknown direct ancestors.

Itemized List of Research Recommendations:

1. Digital Collections Survey, Up to 1 hour research time

- Research survey on the identity of Raymond William Routt and his direct ancestors that will search all available collections of documents that are published online including but not limited to Ancestry.com premium databases. Copies of original documentation may include census, vital, military, probate, land and church records; secondary documentation may include copies of record transcriptions, record index entries and published genealogies.

2. Digital Collections Survey, Up to 1 hour research time

- Research survey on the identity of Lucille Hilker and her direct ancestors that will search all available collections of documents that are published online including but not limited to Ancestry.com premium databases. Copies of original documentation may include census, vital, military, probate, land and church records; secondary documentation may include copies of record transcriptions, record index entries and published genealogies.
