

Initial Consultation Report Tara A. Fantauzzi, Professional Genealogist

The purpose of this report is to summarize the data and goals for your project. Please review the information in this report carefully and report if any additional information is known at project start or if any of the information should be changed or corrected.

Summary of Research Recommendations:

Client needs to find a marriage record and divorce decree for her father Edward William Furia Jr. and his first wife who likely had the given name Joan. It is possible the couple married circa 1968-1969 in Philadelphia, Philadelphia County, Pennsylvania. The groom Edward W. Furia was born on the 24th of November 1941.

Genealogist recommends applying up to thirty minutes of research time completing a digital collections survey on the identities of Edward William Furia Jr. and his first wife who likely had the given name Joan to determine their date and place of marriage as well as date and place of divorce.

Digital Collections Survey is a term we use to describe a research survey that exhausts all available collections of documents that are published online including but not limited to Ancestry.com and other premium information service databases. Copies of original documentation may include census, vital, military, probate, land and church records; secondary documentation may include copies of record transcriptions, record index entries and published genealogies.

Itemized List of Research Recommendations:

Digital Collections Survey, Up to .5 hours research time

- Research survey on the identities of Edward William Furia Jr. and his first wife who likely had the given name Joan to determine their date and place of marriage as well as date and place of divorce that will search all available collections of documents that are published online including but not limited to Ancestry.com premium databases. Copies of original documentation may include census, vital, military, probate, land and church records; secondary documentation may include copies of record transcriptions, record index entries and published genealogies.
