Thirty minutes of research time was applied completing a digital collections survey to determine the date and place of divorce for Edward William Furia Jr. and his first wife Joan Kreinbrink.

The research survey yielded one positive result; specifically, a 1974 marriage certificate for Joan N. Krehnbrink and Lawrence M. Kaye. At the conclusion of this survey it was not possible to find a divorce index entry, newspaper article or any other proof to narrow down the date and place of divorce for the couple. It may be possible that the 1974 marriage certificate for Joan N. Krehnbrink may report a date of divorce for the bride but that information was blocked due to privacy law.

Every document that was obtained was analyzed and a summary of your research results can be found below. Images of all the records can be downloaded from your *Customer Page* at [www.capitalgenealogy.com/katherine-furia](http://www.capitalgenealogy.com/katherine-furia).

### **[KREHNBRINK - 1974 Marriage Certificate for Joan N. Krehnbrink & Lawrence M. Kaye](#)**

I pulled this record because at the bottom the bride had to report if she was previously married. It is not clear if a date of divorce had to be reported, but it may be possible that it was listed in the confidential area at the bottom of this record. Client may want to contact Windham to request a copy of this document, but it is not clear if the information at the bottom will be released.
