

Research Results Report Tara A. Fantauzzi, Professional Genealogist

Summary of Research Results:

One hour of research time was applied completing a digital collections survey to learn more about the identity and direct ancestors of Richard Tempero with an emphasis to discover the migrant direct ancestor of the Tempero lineage that left Europe and permanently resettled in the U.S. with a goal to determine his specific place of European origin.

The research survey yielded sixteen positive results and one possibly positive result; specifically, a combination of U.S. census, vital, and English church records as well as record index entries related to the identity and direct ancestors of Richard Tempero.

Every document that was obtained through research was analyzed and a summary of your research results can be found below. Images of all the records can be downloaded from your *Customer Dashboard* at www.capitalgenealogy.com/laurie-stollenwerk. Please see your updated **1-page** and **poster size** pedigree charts in Document Appendix to visualize your family tree.

Research Results - Documents:

Summary of Research Recommendations:

Genealogist recommends applying up to one and a half hours of research time to continue completing a digital collections survey on the identities and direct ancestors of Thomas Tempero and Mary Elizabeth Fisher with an emphasis to verify and prove their specific places of origin and learn more about their direct ancestors beginning with their parents.

Digital Collections Survey is a term we use to describe a research survey that exhausts all available collections of documents that are published online including but not limited to Ancestry.com and other premium information service databases. Copies of original documentation may include census, vital, military, probate, land and church records; secondary documentation may include copies of record transcriptions, record index entries and published genealogies.

Itemized List of Research Recommendations:

Digital Collections Survey, Up to 1.5 hours research time

- Research survey on the identities and direct ancestors of Thomas Tempero and Mary Elizabeth Fisher that will search all available collections of documents that are published online including but not limited to Ancestry.com premium databases. Copies of original documentation may include census, vital, military, probate, land and church records; secondary documentation may include copies of record transcriptions, record index entries and published genealogies.
