

Research Results Report Tara A. Fantauzzi, Professional Genealogist

Summary of Research Results:

One hour and forty-five minutes of research time was applied completing a digital collections survey to learn more about the identity and direct ancestors of Esther E. Tempero Davis with a focus to verify and prove the Hemingway lineage as outlined in her D.A.R. application previously obtained by genealogist. Client and Esther are descendants of Patriot ancestor Ebenezer Hemingway.

The research survey and correspondence work yielded ten positive results; specifically, a combination of census and vital records, as well as, burial index entries, related to the identity and direct ancestors of Esther Tempero Davis direct descendant of Ebenezer Hemingway as outlined in her D.A.R. application previously obtained by genealogist. Genealogist noted a few errors on the application of Esther Tempero Davis after this phase of research.

Every document that was obtained through research was analyzed and a summary of your research results can be found below. Images of all the records can be downloaded from your *Customer Dashboard* at www.capitalgenealogy.com/laurie-stollenwerk. Please see your **poster size pedigree chart** in Document Appendix to visualize your family tree.

Research Results – Documents:

Summary of Research Recommendations:

Genealogist recommends applying up to one and a half hours of research time to continue completing a digital collections survey on the identity and direct ancestors of Ebenezer Hemingway husband of Ruth Gates.

Digital Collections Survey is a term we use to describe a research survey that exhausts all available collections of documents that are published online including but not limited to Ancestry.com and other premium information service databases. Copies of original documentation may include census, vital, military, probate, land and church records; secondary documentation may include copies of record transcriptions, record index entries and published genealogies.

Itemized List of Research Recommendations

1. **Digital Collections Survey**, Up to 1.5 hours research time

- Research survey on the identity and direct ancestors of Ebenezer Hemingway, husband of Ruth Gates, including but not limited to Ancestry.com premium databases. Copies of original documentation may include census, vital, military, probate, land and church records; secondary documentation may include copies of record transcriptions, record index entries and published genealogies.
