The U.S.C.I.S. delivered copies of all the documentation within the C-File for Vincent Arnao. I retained the original envelope for the client to use for certification because as stated in the letter enclosed, "In agreement with the Italian Consulate... the applicant must present the packet provided by our office that contains a photocopy of the naturalization certificate along with the USCIS Genealogy Program response letter that is stapled to the records along with the envelope they arrived in to the Consulate... this serves as the only form of authenticating..."

The document that was obtained was analyzed and a summary of your research results can be found below. Images of all the records can be downloaded from your *Customer Page* at www.capitalgenealogy.com/jenna-gaydos. The envelope and documentation received will immediately be forwarded to the client.
