In March 2020 fifteen minutes of correspondence time was applied to submitting a request to the National Archives and Records Administration (N.A.R.A) to obtain a certified copy of an original 1930 Federal population census for the household of Vincent Arnao. The correspondence work yielded one positive result; specifically, a certified copy of an original 1930 Federal population census for the household of Anthony Amodeo.

A request that was submitted to obtain a certified copy of an original 1940 Federal population census is still pending with N.A.R.A. and I will deliver the results when I receive a response. We will discuss your case in depth soon to determine what specific documents you need after your review by the Italian consulate. I reviewed all the documentation gathered up to this point and in addition to the above we have obtained:

(1) a Certificate of Non-Existence (no naturalization or alien registration files found) for Giuseppe Arnao from the U.S.C.I.S. after a search was completed by the U.S.C.I.S. to find a Naturalization Record (C-File) or Alien Registration Record (A-File) for Giuseppe Arnao

(2) a Certified copy of the Naturalization Record (C-File) for Vincent 'Vincenzo' Arnao from the U.S.C.I.S. that was found when the U.S.C.I.S. searched for C-Files and A-Files.

No alien registration or A-Files were found by the U.S.C.I.S. when searches were completed by the U.S.C.I.S. to locate C-Files or A-Files for Giuseppe Arnao and Vincent 'Vincenzo' Arnao.

Every document that was obtained was analyzed and a summary of your research results can be found below. Images of all the records can be downloaded from your Customer Page at www.capitalgenealogy.com/jenna-gaydos.
