

Initial Consultation Report

Tara A. Fantauzzi, Professional Genealogist

Subjects of Focus: Identities of Wilhelm (William) & Frederika Ludwig

The purpose of this report is to summarize the data and goals for your project. Please review the information in this report carefully and report if any additional information is known at project start or if any of the information should be changed or corrected.

Client has a desire to obtain copies of original death records for Wilhelm (William) Ludwig and his wife Fredericka whose death record would have been filed under her married name Ludwig. Client provided information to genealogist that the date and place of death for Wilhelm (William) Ludwig was the 17th February 1885 in Buffalo, Erie County, New York. His wife Frederick was said to have died on the 1st of December 1913 in Grand Island, Erie County, New York. It is important to obtain their death records because those records may report the identities of their parents which are not yet known.

Summary of Research Recommendations:

Genealogist recommends applying up to a half hour of correspondence time requesting a search to locate copies of original death records for Wilhelm (William) and Frederika Ludwig from the City of Buffalo as well as the town of Grand Island, both located in Erie County, New York. The fee for a genealogical search and record copy will be \$22 per record. If no record is found a certificate of no record found will be issued. Third party search fees are charged whether a record is found or not.

Correspondence Time is a term we use to describe research tasks that involve direct contacts with government agencies, historical societies, or other entities to submit requests for documents; often including the completion of formal request forms, emails, or mail correspondence. Correspondence tasks are billed at half our normal research rate.
