

# Initial Consultation Report

## Tara A. Fantauzzi, Professional Genealogist

---

**Subjects of Focus:** Direct Ancestors of Nelson Roy Smith

---

*The purpose of this report is to summarize the data and goals for your project. Please review the information in this report carefully and report if any additional information is known at project start or if any of the information should be changed or corrected.*

---

Client has a desire to verify and prove the identities of his direct paternal ancestors beginning with his paternal grandparents Roy Lee Smith and Mable Clarice Neal with goals to learn more about their known direct ancestors and to establish and prove the identities of their unknown direct ancestors.

Client submitted pedigree charts at project start to visualize what is known about the direct ancestors of Nelson Roy Smith from family oral history. No original documentation has been obtained yet to verify and prove the facts reported on the pedigree chart.

---

### Summary of Research Recommendations:

Genealogist recommends applying up to two hours research time completing a digital collections survey on the direct ancestors of Nelson Roy Smith.

*Digital Collections Survey is a term we use to describe a research survey that exhausts all available collections of documents that are published online including but not limited to Ancestry.com and other premium information service databases. Copies of original documentation may include census, vital, military, probate, land and church records; secondary documentation may include copies of record transcriptions, record index entries and published genealogies.*

---

---

## Itemized List of Research Recommendations:

### Digital Collections Survey, Up to 2 hours research time

- Research survey on the direct ancestors of Nelson Roy Smith that will search all available collections of documents that are published online including but not limited to Ancestry.com premium databases. Copies of original documentation may include census, vital, military, probate, land and church records; secondary documentation may include copies of record transcriptions, record index entries and published genealogies.
